To,

All Zonal & Mandal Incharge and All state executive allied wings officials of ABKM U.P.

As you are well aware and also discussed during the meeting of ABKM held at Varanasi on 19-02-2010 & 14-03-2010 at Moradabad, Kayastha Chetna Yatra Samiti has been constituted with the help of District President. I think, such samities ought to have been formed in all the districts by now. For the proper functioning of Chetna Yatra, you have been delegated all powers to execute as State President in this regard. You are requested to keep close contact with your district organizers to solve their day to day problems. It is expected from you, also to furnish a daily report to the State President having brief description, concerning such problems and action taken at your level to rectify the same. This is essentially required to keep posted state head quarters upto date.

Thanking you.

(A.K. Srivastava)

State President (U.P)
